CAUSE

On November 30, 2017, Frazier appeared before Your Honor for a modification hearing. The hearing was in response to Frazier's violation conduct, to include alcohol and marijuana use. As a condition of supervision Frazier is prohibited from consuming alcohol. As reflected in a report to the Court dated September 19, 2017, Frazier tested positive for alcohol on June 29, 2017, as established by a Breathalyzer and subsequently his admission to the undersigned officer. Frazier's breath alcohol content (BAC) was established as .02% and .14%.

On August 13, 2017, Frazier submitted a urine sample which was positive for marijuana. Frazier denied use, however, the urine specimen was confirmed positive for the presence of marijuana by the national contracted laboratory. In addition, Frazier failed to report for drug and alcohol testing on September 16, 2017.

On November 22, 2017, our office filed an addendum to the violation report dated September 19, 2017, to inform Your Honor that Frazier once again violated his release conditions by using alcohol on November 21, 2017. During a home visit on November 21, 2017, Frazier submitted to a Breathalyzer which registered a BAC of .065%. Frazier admitted to consuming Brandy prior to the undersigned officer's arrival at his residence.

As previously stated, on November 30, 2017, Frazier appeared before Your Honor for a modification hearing wherein he was represented by Assistant Federal Public Defender Rebecca Levy. Frazier agreed to the modifications proffered to the Court and Your Honor modified his conditions accordingly; and requested our office file an order containing the specific language. Subsequent to the hearing, the undersigned and counsel conferred telephonically, with Frazier's participation, to discuss his curfew on days he does not work. It was agreed by all parties that Frazier's curfew will be from 8:00 p.m. to 8:00 a.m. on his days off, unless he works, which must be approved in advance by the Probation Office.
